The production and sales status of the Company are described as follows:

- I. Production status: The Company produced 2,790,694 yds in the current period, a decrease of 595,699 yds as compared with 3,386,393 yds of the previous period; and processed 9,624,121 yds, a decrease of 520,981 yds as compared with 10,145,102 yds of the previous period.

Overview of the business operations of business departments is as follows:

(I) Marketing Department: focused on export of finished fabrics. Its revenue of the current period was NT\$1,159,247 thousand, a decrease of 3.81% as compared with the same period of last year, reached 97.46% of the budget. The decrease resulted from the decrease in the fabrics for fashion, and the increase resulted from the increase in the fabrics for sportswear. There was no significant decrease due to the offsetting of and between them.

- (II) Retail Department: focused on retailing in the domestic apparel market. Its revenue of the current period was NT\$633,895 thousand, an increase of 17.92% as compared with the same period of last year, reached 110.54% of the budget. Its revenue increase arose from domestic consumption and purchase due to the decrease in overseas traveling of Chinese people. The businesses in 2021 are estimated to be affected by three major factors: (I) increase in the rate of Covid-19 vaccine delivery, which will inevitably cause the increase in the demands in market; (II) significant decrease in the production of raw materials in the past, which causes the failure in coping with the short-term increase in the demands in current market, and significant increase in the funds in market, which results in that the price of raw materials is on the verge of losing control; (III) the strong appreciation of new Taiwan Dollars, which is difficult to be changed and causes significant challenge in export market due to its impact, but the domestic retail market is still optimistic because overseas travel is still restricted in the short term. On the whole, there's a good prospect in terms of SKT's businesses, but there's also a great challenge in making profit, and it still needs to rely on its flexible adjustment and control ability to manage the drastically changing situation.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are ones that were of most significance in our audit of the parent company only financial statements of the Company for the year ended December 31, 2020 based on our professional judgment. These matters have been covered during the audit of the overall parent company only financial statements and in forming the audit opinion. We will not express a separate opinion on these matters.

Key audit matters of the parent company only financial statements for the year ended December 31, 2020 are as follows:

#### Authenticity of sales revenue from specific customers

The Company's principal source of income is the sale of various types of fabrics and finished clothing, apparel agency and property leasing. Significant risk is presumed in revenue recognition in view of significance and auditing standards. In our opinion, the authenticity on revenue from customers with

specific trading terms has significant impact on the financial statements. Thus, we identified the authenticity of sales revenue from specific customers as a key audit matter. For the accounting policies related to revenue recognition, please refer to Note IV(XIII) of the notes to parent company only financial statements.

Our corresponding audit procedures were as follows:

- 1. We understood and tested the design and implementation of internal controls in relation to the recognition of sales revenue from specific customers.

#### **Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements**

The responsibilities of management are to prepare the parent company only financial statements with fair presentation in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and maintain necessary internal controls associated with the preparation in order to ensure the parent company only financial statements are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error. Amounts of misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users of the parent company only financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern based on the audit evidence obtained. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine the key audit matters of the Company's parent company only financial statements for the year ended December 31, 2020. We describe these matters in our independent auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter shall not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Independent Auditors' Report**

To Shinkong Textile Co., Ltd.

#### Audit opinion

We have audited the consolidated balance sheets of Shinkong Textile Co., Ltd. and its subsidiaries (hereinafter referred to as the "Group") as of December 31, 2020 and 2019; and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to consolidated financial statements (including a summary on significant accounting policies).

In our opinion, the aforementioned consolidated financial statements present fairly, in all material respects, the consolidated financial status of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers as well as the International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are ones that were of most significance in our audit of the consolidated financial statements of the Group for the year ended December 31, 2020 based on our professional judgment. These matters have been covered during the audit of the overall consolidated financial statements and in forming the audit opinion. We will not express a separate opinion on these matters.

Key audit matters of the consolidated financial statements for the year ended December 31, 2020 are as follows:

#### Authenticity of sales revenue from specific customers

The Group's principal source of income is the sale of various types of fabrics and finished clothing, apparel agency and property leasing. Significant risk is presumed in revenue recognition in view of significance and auditing standards. In our opinion, the authenticity on revenue from customers with specific trading terms has significant impact on the financial statements. Thus, we identified the authenticity of sales revenue from specific customers as a key audit matter. For the accounting policies related to revenue recognition, please refer to Note IV(XIII) of the notes to consolidated financial statements.

Our corresponding audit procedures were as follows:

- 1. We understood and tested the design and implementation of internal controls in relation to the recognition of sales revenue from specific customers.
- 2. From the sales details of specific customers above, we selected proper samples to inspect the relevant supporting documents and tested the collection conditions to confirm the authenticity of sales transactions.

#### **Other Matters**

Shinkong Textile Co., Ltd. has also prepared parent company only financial statements for the years ended December 31, 2020 and 2019, which we had audited and issued an unqualified opinion.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The responsibilities of management are to prepare the consolidated financial statements with fair presentation in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers as well as the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission, and maintain necessary internal controls associated with the preparation in order to ensure the consolidated financial statements are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error. Amounts of misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users of the consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern based on the audit evidence obtained. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine the key audit matters of the Group's consolidated financial statements for the year ended December 31, 2020. We describe these matters in our independent auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter shall not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
